About RSI

4904

Restaurant Services, Inc. (RSI) is an independent member-owned purchasing cooperative serving BURGER KING® restaurant owners in the United States.

RSI was founded in 1991 as the exclusive purchasing agent for the vast majority of products used by the U. S. BURGER KING system. Its primary purpose is to leverage the buying power of BURGER KING restaurants to achieve favorable contracts for food, packaging, premiums, promotion products, supplies, equipment, distribution and related services on behalf of more than 8,300 restaurants.

RSI's Board of Directors is comprised of BURGER KING franchisees, elected by region, one Burger King Corporation representative and one member appointed by the Minority Franchisee Association. The cooperative maintains a close working relationship with Burger King Corporation, with respective roles and responsibilities outlined in a formal Operating Agreement.

RSI works closely with restaurant owners, Burger King Corporation, food and packaging suppliers, marketing agencies, equipment vendors, distributors and information systems providers to streamline and improve the supply chain efficiency

Fig. 83

FIG. 84 is a diagram of a system architecture. The diagram shows a central node labeled "System Root node Super Admin user" (8402) at the top. Below this node are five other nodes: "RSI MemberRoot node" (8404), "BKC Root node" (8406), "RSI node" (8408), "Distributor Root node" (8412), and "Supplier Root node" (8410). Arrows point from the central node to each of these five nodes. A large arrow (8400) points from the bottom left towards the "BKC Root node".
